## Notification of Therapy Cap for 2012

This is to inform you that Medicare has imposed a Cap on Therapy Services for 2012. You have been allotted \$1,860.00 for Physical Therapy and Speech Therapy combined and \$1,860.00 for Occupational Therapy.

Medicare may continue to pay for your services after the Therapy Cap has been reached, depending on your diagnosis. **If, however, Medicare determines that your diagnosis does not fall under the Cap Exception, you will be required to pay for any and all services rendered after the \$1,860.00 Cap has been met.**

Upon request, we can notify you when you are nearing the Therapy Cap amount and you can make the determination of whether to continue with Therapy Services at that time.

If you have questions or need further clarification, please contact me at (434)973-5031. Thank you.

Sincerely,

Patricia Ventura,  
Office Manager
